TECH CENTER 1600/2P06

21. (New) The construct of claim 19 wherein said promoter is selected from the group consisting of the beta lactoglobulin promoter, whey acid protein promoter, and the lactalbumin promoter.

*Sols
VC
B
Concld* 22. (New) The construct of claim 19 wherein said immunoglobulin comprises heavy and light chains.

23. (New) The construct of claim 19 wherein said immunoglobulin is of human origin.

24. (New) The construct of claim 19 wherein said immunoglobulin is purified from the milk of said mammal.

25. (New) The construct of claim 19 wherein said promoter is the casein promoter.

REMARKS

Claims 1-13 have been canceled as being directed to non-elected inventions, without prejudice to prosecution in one or more divisional applications. Claims 14-18 have also been canceled without prejudice. Applicants reserve the right to further prosecute claims 14-18 as originally filed in the instant or in a subsequent patent application.

New claims 19-25 have been added. Support for new claim 19 can be found, for example at page 5, lines 8-12. No new subject matter has been added. Upon entry of this amendment, claims 19-25 are pending.

Response to Restriction Requirement Under 35 U.S.C. §121

In the Office Action mailed from the Patent Office on June 22, 1999, the Examiner required election of one of the following groups:
